Norwalk Parking Authority Helps SoNo Visitors with Interactive Kiosk

Norwalk, CT (March 11, 2013) - - Visitors to South Norwalk passing through the Railroad Station and the Maritime Garage now have a handy new tool to help them discover SoNo and other local areas. The Norwalk Parking Authority has installed an interactive kiosk at both locations, allowing the public to find places of interest, businesses, deals and directions in and around South Norwalk.

The kiosk's easy-to-use touch screen helps visitors search through various categories including dining, shopping, and arts and entertainment. The kiosk provides addresses, phone numbers and map directions both on the kiosk screen and on a large wall monitor above. Businesses can also provide advertisements, coupons and special offers to visitors that can be printed out on the spot.

"We are always looking for ways to make visiting SoNo and Norwalk easier and more enjoyable for our parking customers," says Norwalk Parking Authority Executive Director Kathryn Hebert. "Visitors to SoNo coming through the train station or parking at the Maritime Garage can find a place to eat, shop or be entertained, plus directions on how to get there – all within seconds."

The Norwalk Parking Authority is a financially self-sustaining organization responsible for the operation and maintenance of the municipal parking system in Norwalk. It is not financed by taxpayer dollars. The Authority is committed to collaborating with community organizations while providing exceptional customer service to parking customers. To learn more about the Norwalk Parking Authority, its

parking and “so much more” activities, visit the website: www.norwalkpark.org or call (203) 831-9063.
