## **Call For Art for Maritime Garage Gallery for Fall 2016 Exhibit**

Norwalk, CT (June 15, 2016) - - The City of Norwalk Parking Authority's Maritime Garage Gallery is inviting submissions from artists, 18 and over, for a new exhibit at the Gallery, located in the Maritime Parking Garage. The exhibit will run from September 21 through December 2, 2016.

The exhibit, entitled "Kismet" will focus on the theme of fate or destiny; the force that is believed to control the future. From relationships, to fashion, from the environment, to politics, kismet plays a role. Pieces should represent how kismet controls the outcome in the community, the world, or the artists' life. Clever uses of medium and interpretations on subject are welcome.

Tammy Winsor, one of the founders of the Westport Artist Collective and freshly appointed ACE awardee, steps up as guest juror for the "Kismet" exhibit. A Parsons graduate and former print designer for Marc Jacobs, she has a colorful background with a thought provoking style tied in with photography, painting, collage, and assemblage. She has created public works internationally and continues to impact the local art scene through her commitment to ongoing endeavors.
